

Consecration

IT'S TIME TO DREAM

This is our time to dream God's dreams, recommit ourselves to Christ and renew our service dedication to the church.

We did not create ourselves, therefore we cannot determine why, for what or how to fulfill our highest purpose. Only the creator who is God or the — manual — the Bible can reveal our purpose.

Jeremiah 10:23 (AMP)

"It is not within [the limited ability of] man [even one at his best] to choose and direct his steps [in life]."

Hence prayer, fasting and spending time in the scripture are critical to discovering God's dreams and purposes for our life.

Ephesians 1:11 (MSG)

"It is in Christ that we find out who we are and what we are living for."

ALL THAT GOD CAN DO, PRAYER CAN ACHIEVE

[PRAYER POINTS]

1. That all APC members would be committed to personal daily Bible reading, to daily passionate prayer, and that they would participate wholeheartedly in congregational prayer, in order to determine and fulfill their life purpose and revealing their dependency on the help of the Holy Spirit with which we can do all things.

2. That every APC member would unite in all their diversified talents to actively use their fleeting time, resources, and abilities to influence others in their

community to become baptized, filled earnest followers of Jesus.

3. That discipleship classes and need-based small groups will flourish in APC to bring people into fellowship to experience Jesus's love and the life-changing truth of His word

4. That APC's children's, student and youth ministries would thrive under visionary leaders and mentors who facilitate the development of committed relationships with Christ, the fulfilling of God-ordained purposes, and the reaching of peers for Christ.

5. That God's people would prosper, that resources would multiply, and that generosity would overflow towards the building of God's house and the support of local and global missions.

6. That families and ministry leaders would be strengthened, our global community would have peace and that we would experience world-wide revival.

The sky's the limit... EVERYTHING IS POSSIBLE FOR THE ONE WHO BELIEVES
